- 3) Filers have reported that they have seen incorrect filing fee amounts being displayed when filing documents. Additional logging has been put into place to try to capture this issue. If you have a report from a filer, please report this incident to efiling_administrator@kscourts.org.
- 4) Filers now have the ability to file an INF: Entry of Appearance – New Party document for each new party added to case successfully.
- 5) Multi-case proposed orders were not successfully processing through the system. The issue has been corrected and will now successfully process through the system.
- 6) When filing Criminal Cases, the Search for Officer Name field was case sensitive. Officer's names can now be searched by either Upper or Lower case letters.
