NOTICE

The parties are hereby notified when sentencing is challenged in any criminal appeal, the State, under Supreme Court Rule 2.042, has a continuing obligation to notify the appellate court clerk, in writing, of any change in the custodial status of the defendant during the pendency of the appeal. The State should determine the defendant's custodial status when the case is scheduled for oral argument or assigned to the summary calendar docket.

Oral arguments are limited to 15 minutes each for appellant and appellee, except as otherwise provided by Supreme Court Rule 7.02(e). If additional time has been granted, it is shown below the case number.

All attorneys are expected to be present at the beginning of the morning or afternoon session in which their arguments are scheduled. Argument is sometimes waived and last minute emergencies occasionally necessitate rearranging the order of the docket.

Failure to appear at the proper venue in a timely manner may result in the waiver of oral argument. The location of argument for each docket is placed at the top and bottom of each page.
