

Create a Kansas TRAIN User Account

(If you do **not** have an account)

1. Point your browser to <https://www.train.org/ks>. You can use any browser.
2. Click the **“Create an Account”** button in the left-hand margin. You must have an email address to create an account. Choose a unique login ID and password. *The password must contain at least one lower case letter, one capital letter, and one number.*
3. Make sure to fill out all fields in the account creation page. Check the **“I agree to all TRAIN policies”** button when done.
4. In the next section, start by selecting your geographic region.
5. In this section, select a homeland security discipline. If your particular discipline isn’t listed, select other.
6. Select agency personnel. If you are not a direct state employee (e.g., state contractor) select non-state agency personnel.
7. Next, select a local health department. If you are not a health department employee, select non-local health department personnel.
8. Having verified your homeland security discipline selections, click Continue.
9. The FEMA Student ID number may be left blank. Click Continue.
10. You may or may not enter a professional license number at your discretion.
11. Click **“Create Account”**.
12. You will receive a red exclamation point for each incomplete category in your profile. After completing each category, click the green **“Save”** button in the upper right corner.
13. After each red exclamation point has been eliminated, click **“Close”** in the left corner.
14. Select the blue **“Notifications”** box at the right of the screen.
