

**IN THE SUPREME COURT OF THE STATE OF KANSAS**

**Administrative Order No. 189**

**Re: Bulk Requests for Court Records**

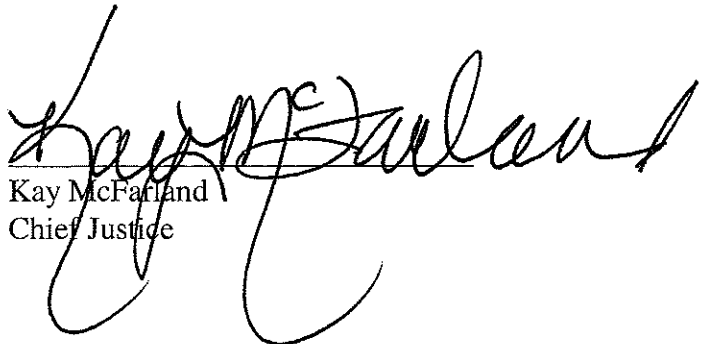

Bulk requests for court records is a matter under study by the Court.

For example, a request for all court records of a certain type or a significant subset of such records, as opposed to a request for an individual case record, is a bulk request.

As an interim measure, bulk requests for court records shall be denied until further order or rule by the Court.

Requests for individual court records will continue to be complied with as per Administrative Order No. 156, which remains in effect.

BY ORDER OF THE COURT this 19th day of January, 2005.
