Question: A judge inquires whether he may serve on an Alumni Association Board of Directors so long as he does not solicit funds or offer legal advice.

Answer: Yes.

Canon 4C(4), 2006 Kan. Ct. R. Annot. 581, specifically allows a judge to serve as a director of an educational organization subject to the limitations set out in subsections (a) (b) and (c) which would prohibit the judge from soliciting funds or giving legal or investment advice.
